

## Indoor Bowling at the Yoxall

During the winter season many Haslington players (as well as a few from other clubs) indulge themselves in Short Mat bowling at the Yoxall. There are sessions on Monday and Friday evenings and Wednesday and Thursday afternoons and on most occasions the three mats available are occupied by up to 24 players (but usually nearer to 18). The games are played in a competitive but very friendly manner none more so than in the Friday sessions under the control of Tony and Debbie Lewis.

The culmination of the Friday indoor season is celebrated by playing the Cup Games which this year took place on Friday 29<sup>th</sup> March. Formally the cup competition was a singles competition which was played for the St Mathews cup but for 2019 there was also a competition for doubles who played for the newly presented Dylis Leech cup. (for those that don't know Dylis was a long standing and well respected club member and it was her who initiated Liz and myself to league playing by 'grabbing' us to play in her Crewe & Nantwich Vets team).

The St Mathews cup was won by Debbie Lewis and the Dylis Leech cup by Audrey Foster and yours truly, the cups and winners can be seen below accompanied by a picture of all present on the final days bowling.

Tony did the selfie.....
